

Pikes Peak PAHCOM
Presents
Spring Conference & Vendor Fair

Frank Cohen, MPA, MIT Solutions Inc.

“Improve Profitability by Improving Processes”

Imagine if you could do even 5% more without increasing the consumption of resources,
every penny would go to the bottom line...

- ✚ Learn process improvement models based on Lean and Six Sigma**
- ✚ Focus on quality, profitability, and compliance**
- ✚ Increase efficiency and patient satisfaction**
- ✚ Receive a complete tool box—documentation, worksheets, templates**

Special Presentation!

Practical Application of Process Improvement Models

Improving Performance in Practice (IPIP) and Practice Evolution Pilot (PEP)

**Marilyn Rissmiller & Karen Fredericks-Gallegos, Colorado Medical Society
Carol Walker, El Paso Medical Society**
