Capitol Hill Briefing on ICD-10

[The Coalition for ICD-10](#), a broad-based healthcare industry advocacy group united in support of the ICD-10 coding standard will host a congressional briefing on ICD-10 readiness, featuring the perspectives of leading physicians and the release of a new study of nearly 300 small physician practices on the cost of ICD-10 conversion. Speakers represent diverse organizations including a small rural physician practice based in Fredericktown, Missouri; Nemours Children’s Health System, a large organization and research institution with more than 50 facilities across five states; and Florida Blue Cross Blue Shield.

The briefing will take place on **Tuesday, February 10 at 1:30pm ET in room 2175 of the Rayburn House Office Building.** **Speakers:**

- **Small Rural Provider Readiness** – Edward Burke, M.D. and Phillip Beyer, D.O., Beyer Medical Group, Fredericktown, MO- **Countdown to ICD-10 for Hospitals** – David W. West, M.D., Medical Director, Health Informatics, Nemours Children’s Health System- **New Survey on ICD-10 Conversion Cost for Small Physician Practices** – Karen Blanchette, MBA, Association Director, Professional Association of Health Care Office Management (PAHCOM)- **Payer Testing and Readiness** – George Vancore, Sr. Manager, Systems Mandates and Compliance, Florida Blue Cross Blue Shield

Moderator: Joel White, Executive Director, Health IT Now

Where: Rayburn House Office Building, Room 2175, Washington, D.C.

When: Tuesday, February 10 – 1:30pm ET
