PAHCOM part of Coalition to Brief Congress on ICD-10 Transition

Shout out to Deborah McEuen, CMM, HITCM-PP who led her rural small practice, Beyer Medical Group, to ICD-10 excellence and now they're presenting to the U. S. Congress. Great job Deborah! Also PAHCOM will be presenting the results from our recent ICD-10 cost survey. Thank you to everyone who participated in the survey. Together, we make a difference for our industry!
