Gainesville-Ocala PAHCOM chapter meeting

by Erin · [0 comments](#)

The first meeting of the new Gainesville-Ocala Professional Association of Health Care Office Management (PAHCOM) chapter took place Tuesday, February 7, at the Haven Hospice located in Gainesville. PAHCOM is a group that provides support to small and medium sized group physician practice managers. Representatives of RegisterPatient, several other Health IT venues and area hospitals and medical practices attended. While this was mainly an introductory meeting led by President Joan Newell-Walker, several speakers made presentations, including Karen Blanchette, of the PAHCOM National Office. Representatives from the CommunityHealthIT initiative and Santa Fe College's Health IT Workforce Training Program also spoke.

This chapter is still looking for current PAHCOM members to fill the positions of secretary, treasurer and membership director. Meetings will tentatively be held on selected Tuesdays every other month, moving between locations in Gainesville and Ocala. For more information on the Gainesville-Ocala PAHCOM chapter, visit the [chapter website](#) or email Joan at jowalker@ufl.edu.
