PAHCOM Shares Knowledge! <http://www.pahcom.com>
Founded in 1988, PAHCOM is a national organization dedicated to promoting professionalism in physician office practice management by providing professional development opportunities including continuing education, networking, online tools & resources, and nationally recognized certification (CMM) for health care office managers. Managers who are professionally certified and networked save their medical practices hundreds of thousands of dollars every year through access to information that minimizes liability and increases revenues! Visit PAHCOM.com to learn more.

BackOps offers complete accounting and human resource services on a cloud platform customized to fit your practice needs. We help you reduce costs through reduced banking rates and ensure money is not unknowingly leaving your practice. The tools, the experts, the proven processes. For a free consultation call **954.871.6544**.

We would like to thank and recognize our partners.
